

Office of the Executive Director

June 26, 2013

Manuel A. Ortiz
President
Ortiz Group Engineering & Construction Services
PO Box 869
Toa Alta, PR 00954

Certification: No.843
Expiration Date: 6/25/2016

Dear Mr. Ortiz

The above certification has been awarded as a result of the analysis of the information provided in form ACT-571, submitted by your company. These procedures are in accordance with the 49 CFR Part 26.

This certification will be in effect for three (3) years. There will be an annual revision requiring the submission of a notarized affidavit, with proper financial statements, thirty (30) days before the expiration date of the present certification. The Executive Director may cancel this certification at any time at his discretion.

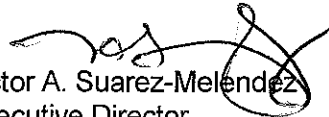

This certification permits negotiation with any of the departments of this Authority in the construction and transportation activities developed with federal assistance. In such case, the company is under the federal laws and regulations benefits for minority firms (DBE). According to the classifications awarded, under the National American Industry Classification System (NAICS), the code used to determine your firm eligibility is:

236210 Highway Street & Bridge Construction Inspection
236210 Industrial Building Construction Inspections
236210 Industrial Building Constructions

The name of the company will be included in the DBE Directory compiled by our Federal Fund Office. It will be provided to general contractors in need of information about DBE firms.

For additional information, please contact Mrs. Samar Hamdan Civil Right Coordinator, at phone number (787) 729-8715, Ext 2131 or by e-mail shamdan@prpa.gov.pr.

Cordially,

Victor A. Suarez-Melendez
Executive Director
