To whom it may concern:

On behalf of GSA, Caribbean Service Center, I would like to express GSA's appreciation on the excellent Construction Services that Ortiz Group Corp., has provided in the past 6-7 years. Ortiz Group Corp's operation was and is vital for the fulfillment of challenging projects in Puerto Rico and the USVI. His experience and knowledge of performing construction projects in the USVI has allowed us to achieve success on high profile projects for the Courts and ARRA related projects. Our hopes are that in the future he will still be available to provide his service under the SBA 8(a) Program.

The Ortiz Group is also our Repairs and Alterations Indefinite Delivery, Indefinite Quantity Contractor covering GSA Federal and Leased Facilities in Puerto Rico. This contract is scheduled to end in March 2014. Our requirements office will soon be preparing the new five year requirements package and because of their past performance, knowledge of our facilities and, clients and security cleared personnel we are hoping to offer it to the Ortiz Group under the SBA 8(a) program as well.

Respectfully,

A handwritten signature in blue ink that reads "Rubin F. Padilla".
